Re: Implementation of Section 224 of the Act; Amendment of the Commission's Rules and Policies Governing Pole Attachments, WC Docket No. 07-245, RM-11293, RM-11303; Notice of Ex Parte Presentation

Dear Ms. Dortch:

On November 13, 2008, Bob Mitnacht of Wisconsin Electric Power Company and Noranna Vincent of Wisconsin Public Service Corporation (collectively, the "Utilities"), and Shirley Fujimoto and Kevin Cookler of McDermott Will & Emery LLP, met separately with Amy Bender, Acting Legal Advisor to Chairman Kevin Martin, Scott Deutchman, Legal Advisor to Commissioner Michael Copps, Scott Bergmann, Legal Advisor to Commissioner Jonathan Adelstein, Greg Orlando, Legal Advisor to Commissioner Deborah Taylor Tate, and Nicholas Alexander, Legal Advisor to Commissioner Robert McDowell, regarding the above-referenced proceeding.

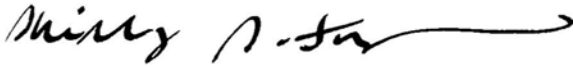

In these meetings, we discussed the Utilities' views and positions as set forth in the Utilities' filings of March 7, 2008, and April 22, 2008, in this proceeding. We also discussed the broadband pole attachment rate formulas recently proposed by AT&T and Verizon and by USTelecom, noting that the Utilities disagree with certain assumptions in those rate formulas and continue to disagree that the Commission has jurisdiction to regulate attachments by incumbent local exchange carriers.¹

In accordance with the Commission's Rules, one copy of this *ex parte* notice is being filed electronically for inclusion in the record of the each of the above-referenced dockets.

^{1/} Letter from Robert W. Quinn, Jr., Senior Vice President, AT&T, and Suzanne A. Geyer, Senior Vice President, Verizon, to Marlene Dortch, Secretary, FCC, WC Docket No. 07-245 (Oct. 21, 2008), and Letter from Jonathan Banks, Senior Vice President, and Glenn T. Reynolds, Vice President, United States Telecom Association, to Marlene Dortch, Secretary, FCC, WC Docket No. 07-245 (Oct. 27, 2008).
